

Dr Sam ZERAATIAN NEJAD DAVANI

- CEO & Director of RMRC¹ (Rockingham Medical Research Centre, Rockingham, WA)
- Full Professor and Attending Consultant of Cardiovascular Surgery (IUMS², Iran)
- Head of Cardiovascular Surgery Department (IUMS, Iran)
- Head of Department of Heart & Lung Transplant (IUMS, Iran)

Personal Identification & Contact Information:

Family Name (Surname)	ZERAATIAN NEJAD DAVANI			
Given Name	SAM			
Date of Birth	SEPTEMBER 18 TH , 1979			
Place of Birth	ESFAHAN, IRAN			
Work Address 1	Hazrate Rasool Akram Hospital, Niyayesh St, Sattar Khan Ave., Tehran			
	Province	TEHRAN	Country	IRAN
	Postal Code	14456-13131	Phone	+98 912 104 4811
Work Address 2	Unit 3B, 7 Railway Terrace, Rockingham			
	State	WA	Country	AUSTRALIA
	Postal Code	6168	Phone	+61 406 911 979
Postal Address	7/43 Rockingham Beach Road, Rockingham			
	State	WA	Country	AUSTRALIA
	Postal Code	6168	Phone	+61 406 911 979
Home Address	Flat 2, No. 31, 34 th St, Gisha Ave., Tehran			
	Province	TEHRAN	Country	IRAN
	Postal Code	14489-63761	Phone	+98 21 8611 2991
Email Addresses	1. sam@rmrc-adkwa.com.au 2. samzeraatian@yahoo.com			

Educational and Professional Background:

June 2021 to Current	CEO & Director of RMRC	Rockingham Medical Research Centre, Rockingham, Western Australia
	Attending Consultant of Cardiovascular Surgery	Iran University of Medical Sciences, Tehran, Iran
	Head of Cardiovascular Surgery Department	Iran University of Medical Sciences, Tehran, Iran
	Head of Department of Heart & Lung Transplant	Iran University of Medical Sciences, Tehran, Iran
	Head of Surgery Department of Scientific Research	

¹ Rockingham Medical Research Centre: The company was established in partnership with ADKWA Pty Ltd, with the aim of expanding the ground for the novel Medical Research Project in Western Australia. (www.rmrc-adkwa.com.au)

² Iran University of Medical Sciences, Tehran, Iran

	Head of Cardiovascular Surgery Department, Forensic Medical Commission of Tehran Province	Tehran, Iran
October 2016 to June 2021	Attending Consultant of Cardiovascular Surgery	Iran University of Medical Sciences, Tehran, Iran
	Head of Cardiovascular Surgery Department	
	Head of Department of Heart & Lung Transplant	
	Head of Cardiovascular Surgery Department, Forensic Medical Commission of Tehran Province	Tehran, Iran
October 2015 to October 2016	Heart and Lung Transplant Fellowship	Shahid Beheshti University of Medical Sciences, Tehran, Iran
	Attending Consultant of Cardiovascular Surgery	Fasa University of Medical Sciences, Fars, Iran
	Head of Open-Heart Surgery Department of Valiasr Hospital of Fasa	
	Head of Cardiovascular Surgery Department, Forensic Medical Commission of Fasa City	Fasa, Fars, Iran
September 2014 to September 2015	Congenital Cardiac Surgery Fellowship	Tehran University of Medical Sciences
	Attending Consultant of Cardiovascular Surgery	Fasa University of Medical Sciences, Fars, Iran
	Head of Open-Heart Surgery Department of Valiasr Hospital of Fasa City	
	Head of Cardiovascular Surgery Department, Forensic Medical Commission of Fasa City	Fasa, Fars, Iran
September 2011 to September 2014	Subspecialist in Cardiovascular Surgery	Tehran University of Medical Sciences, Tehran, Iran
	Attending Consultant of General Surgery	Fasa University of Medical Sciences, Fars, Iran
September 2009 to March 2011	Thoracic Surgery Fellowship	Shahid Beheshti University of Medical Sciences, Tehran, Iran
	Attending Consultant of General Surgery	Fasa University of Medical Sciences, Fars, Iran
	Head of General Surgery Department, Forensic Medical Commission of Fasa City	Fasa, Fars, Iran
September 2008 to September 2009	Attending Consultant of General Surgery	Fasa University of Medical Sciences, Fars, Iran
	Educational Deputy (Clinical Training Manager)	
	Head of Operation Rooms Complex of Valiasr Hospital	
	Head of General Surgery Department, Forensic Medical Commission of Fasa City	Fasa, Fars, Iran
September 2004 to September 2008	General Surgery Registrar	Shiraz University of Medical Sciences, Shiraz, Iran
March 2003 to September 2004	Medical Intern	Iran University of Medical Sciences, Tehran, Iran
September 1997 to March 2003	Medical Student	Iran University of Medical Sciences, Tehran, Iran

³ **EACT**: The European Association for Cardio-Thoracic Surgery (EACTS) is an international organization devoted to the practice of cardiothoracic surgery. The mission statement of the association is to advance education in the field of cardiac, thoracic, and vascular interventions; and promote research into cardiovascular and thoracic physiology, pathology, and therapy, with the aim to correlate and disseminate the results for the public benefit. Within the EACTS there is many committees working on various issues to improve cardio-thoracic surgery.

⁴ **CTSNet.org** is the most comprehensive, heavily trafficked, and reliable online source of information about cardiothoracic surgery available worldwide, and its online community of cardiothoracic surgeons is the largest in the world. A not-for-profit organization, CTSNet is jointly overseen by The Society of Thoracic Surgeons (STS), the American Association for Thoracic Surgery (AATS), and the European Association for Cardiothoracic Surgery (EACTS). Numerous other cardiothoracic surgery organizations from around the world are involved in CTSNet as partners

February 2012 to Current	<u>Member of American Association for Thoracic Surgery⁵(AATS)</u> <u>https://www.aats.org/aatsimis/AATSWeb</u> <ul style="list-style-type: none"> • Beverly, USA

Internationally Recognized Achievements, Endorsements and Awards

September 2021	<u>International Endorsement for the Introduction of Zeraatian-RMRC Off-Pump Technique</u> <i>The innovative method in Tricuspid valve replacement/repair without using Cardiopulmonary bypass in the beating heart in 50 patients</i> <ul style="list-style-type: none"> • Gothenburg University, Sweden • Perfusfind International Academic Institute⁸, Valencia, Spain
September 2021	<u>Obtaining Google Scholar G Index: More Than 8</u> <u>https://scholar.google.com/citations?user=MbiMq-4AAAAJ&hl=en</u> <ul style="list-style-type: none"> • Google Scholar
September 2021	<u>Obtaining Scopus⁹ H Index: More Than 7</u>

⁵ **AATS:** Founded in 1917, the American Association for Thoracic Surgery (AATS), along with its philanthropic arm, the AATS Foundation, has sought to advance the field of cardiothoracic surgery. It is an international organization whose members have a proven record of distinction within the specialty and have made significant contributions to the care and treatment of cardiothoracic disease throughout the world.

⁶ **ResearchGate** is a European commercial social networking site for scientists and researchers. to share papers, ask and answer questions, and find collaborators. According to a 2014 study by Nature and a 2016 article in Times Higher Education, it is the largest academic social network in terms of active users, although other services have more registered users, and a 2015–2016 survey suggests that almost as many academics have Google Scholar profiles.

⁷ **Google Scholar** is a freely accessible web search engine that indexes the full text or metadata of scholarly literature across an array of publishing formats and disciplines.

⁸ **Perfusfind** is an international organization designed with the aim of create and connect the community of perfusion professionals in the international field. A meeting point in a platform for sharing specific information of interest, to learn, to be updated and to find reference centers.

⁹ **Scopus** is Elsevier's abstract and citation database launched in 2004. Scopus covers nearly 36,377 titles (22,794 active titles and 13,583 inactive titles) from approximately 11,678 publishers, of which 34,346 are peer-reviewed journals in top-level subject fields: life sciences, social sciences, physical sciences and health sciences. It covers three types of sources: book series, journals, and trade journals
